Purpose Statement

Dream . . . Learn . . . Do . . .
Igniting a passion for learning.
Preparing students for the future.

Curriculum:
We provide a relevant and challenging curriculum that enables students to achieve educational excellence and ignites their creativity and passion for lifelong learning.

Environment:
We provide an environment that is supportive and inclusive, allowing students to become confident and creative individuals.

Connections:
We encourage students to connect with their peers, their school, their community and with the wider world, enabling them to become active and informed citizens.
At Mentone Park Primary School our core purpose is to ignite a passion for learning and prepare our students for the future.

We achieve this through a relevant and challenging curriculum that enables students to achieve educational excellence and ignites their creativity and passion for lifelong learning. This is provided in an environment that is supportive and inclusive, allowing students to become confident and creative individuals. Developing connections is a major focus of our school community and we encourage students to connect with their peers, their school, their community and with the wider world, enabling them to become active and informed citizens.

We work under the following TIER of core values:

- **Teamwork**: together we can achieve the same goal
- **Integrity**: we are led by our moral purpose
- **Excellence**: achieve better than our best
- **Respect**: have a positive regard for all
