Middle School Newsletter

Term 4, Week 10

In *Reading*, We Are Learning To... apply our reading strategies to build comprehension strategies and understanding of language used within texts.

In *Writing*, We Are Learning To... Write Christmas narratives using Seven Steps to make our writing interesting.

In *Maths*, We Are Learning To...

- identify angles in everyday situations
- compare angles and identify if they are lesser or greater than a right angle
- estimate, measure and compare angles using a protractor

In *Inquiry*, We Are Learning To... present our ideas as prototypes, and create advertisements to promote our idea.

As the last weeks of term roll in, we would like to say a huge **thank you** to all families for their unwavering support in 2019. We feel very lucky to have been a part of your children's journeys through the Middle School. We wish all the students moving into the Senior School a happy and wonderful experience as school leaders, and for the students remaining in the Middle School, we are looking forward to another terrific year of teaching and learning with you! We wish everyone a very safe and enjoyable holiday break, and can't wait to hear all about your holiday adventures when you return in 2020!

"How lucky I am to have something that makes saying goodbye so hard."

Dear families and students,

I would like to thank you all so much, from the very bottom of my heart, for all the love and support you have given me during my time at Mentone Park. I have felt very blessed to be a part of this special community, and a piece of my heart will always be here. You have brought so many rainbows into my life, and I enjoyed returning the favour! I can't wait to hear about how you are going in 2020 and beyond, as I am only a message away. Wishing you all a very safe and happy holiday break, and a fantastic 2020!! I will miss you all very much xx.

Love Mrs French 🌈
