Tri Skills 2020

For over 28 years TriSkills has been delivering Gymnastics, Sports and Dance into Primary Schools throughout Australia. Mentone Park Primary is very proud to continuously bring this program to our students. Tri Skills consists of 3 components; GYM steps, DANCE Steps and SPORTS Steps.

GYM Steps is an enjoyable sequenced progression of lessons that develops each student's ability to enjoy and perform movement sequences combining effort, space, objects and people. DANCE Steps are an exciting sequence of fun lessons that develop the creative and expressive rhythmic movement abilities in students. SPORTS Steps are motivating fun lessons designed to evoke joyful and playful involvement in students that enhance their natural tendency to play games.

If your child is sick or absent, you are required to notify the school as soon as possible **on the day of absence**, through Compass. Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and wellbeing of children and will fulfill your legal responsibility. From Term 2 2018 onward, all Victorian government schools are required to contact parents/carers as soon as practicable on the same day of an unexplained student absence. If your child is absent on a particular day and you have not contacted the school to explain why, the absence will be marked as unexplained. Going to school every day is the single most important part of your child's education, they learn new things every day - missing school puts them behind.
