Thank you

Congratulations to all for reaching the end of Term 2!

Thank you to everyone for all of your support and patience. This term has definitely proven to be one of the hardest for teachers, parents and students. The students have all put in a lot of effort since the return from home learning and have presented some amazing work.

Enjoy your relaxing break with your families and friends.

See you all on Monday July 13th, ready for an awesome Term 3!

If your child is sick or absent, you are required to notify the school as soon as possible **on the day of absence**, through Compass. Notifying the school of your child's absence either prior to, or on the day that they will be away, helps ensure the safety and wellbeing of children and will fulfill your legal responsibility. From Term 2 2018 onward, all Victorian government schools are required to contact parents/carers as soon as practicable on the same day of an unexplained student absence. If your child is absent on a particular day and you have not contacted the school to explain why, the absence will be marked as unexplained. Going to school every day is the single most important part of your child's education, they learn new things every day - missing school puts them behind.
