

Dear Parents of Year 5 students,

The year is flying by and it's time to organise the Year 6 polo tops and jumpers for 2025.

With the help of one of our aides, Louise (with a background in graphic design), our Year 5 students have done an outstanding job designing their own tops and jumpers and have voted on their preferred design for both.

In the past we have dealt with large commercial companies who ship the garments in from overseas. This has resulted in incorrect and delayed orders. So that our students have their garments ready for their first day of Yr 6, we have chosen to go with an Australian based, eco-friendly company whose max wait time is 6-8 weeks.

Polo Top- \$61 (sublimated print - includes front MPPS logo, text around the collar, both sleeves & design on the front and back)

Fleeced Sweatshirt- \$46 (direct to film print - includes front MPPS logo & class list and design on the back)

To ensure the students receive their memorabilia in time, it is essential we have the final order forms and full payment by **Wednesday 13th November**.

Payment can be made by cash, eftpos or via QKR. If you would like to discuss payment options further, please don't hesitate to contact Leisa or Jennifer in the Office.

Please refer to and complete the Parent Sizing Form attached to measure your child's jumper & polo size. **When measuring, please take into account room for growth over the holidays and into next year.**

Please fill out the information below and return to The Senior School Teachers as soon as possible.

Kind regards,

The Senior School Team

‘ACTUAL SHIRT SIZE’

This is the most accurate way to determine your shirt size

To find ACTUAL SHIRT SIZE, lay your favourite shirt flat. Measure from underarm to underarm.
