BODY SAFETY AUSTRALIA

Our workshops for parents and carers aim to inform you of what your child will be learning with us and how you can **keep the conversation going at home**.

The workshop will cover:

SUPER STARS

Prep - Year 4

This program is designed to empower and educate children to understand and communicate their right to bodily autonomy and equip communities to prevent child sexual abuse.

UNIQUE YOU

Year 5 & 6

This program offers curriculum aligned sexuality education including the role of families, demystifying bodies, conception and birth, and puberty. Through games, guided discussion and storytelling, students reflect on concepts that recognise the diversity of families and values within the school community.
